In the Auditorium

### Keep Growing, Keep Going, ZOBAPAGO!

ZOBAPAGO (zo-bop-a-go) is a kids' band adults will dig, too. Take a ride with *TaxiMan Zan* with his saxophone, guitar and percussion toys, and meet the mechanic/musician garage band, the *New-Matic-Crew*. The Crew made up of *ZippityLicks*, *Zag*, *Zig*, *ZeeRock* and lead singer, *Zeta Pipes*, will astound you with keyboard and guitar riffs and their great driving groove. Located in Akron, the band provides fun, interactive, educational songs relating to topics of a child's everyday life.
