1936-2011

The Ellet Branch Library was founded in 1936 in response to a petition signed by more than 1,900 residents. Our first and second buildings were located on Canton Road in the center of Ellet. Our third and current library building opened August 9, 1999 on East Market Street. The Library has a collection of over 70,000 books, magazines, music CDs, movies, and more – something for everyone.

***MOON OVER MANIFEST* by Clare Vanderpool**

After a life of riding the rails with her father, 12-year-old Abilene can't understand why he has sent her away to stay with Pastor Shady Howard in Manifest, Missouri, a town he left years earlier; but over the summer she pieces together his story. Abilene's first-person narrative is intertwined with newspaper columns from 1917 to 1918 and stories told by a diviner, Miss Sadie, while letters home from a soldier fighting in WWI add yet another narrative layer. Vanderpool weaves humor and sorrow into a complex tale involving murders, orphans, bootlegging, and a mother in hiding.

***THE MAZE RUNNER* by James Dashner**

When Thomas wakes up in the lift, the only thing he can remember is his first name. His memory is blank. But he's not alone. When the lift's doors open, Thomas finds himself surrounded by kids who welcome him to the Glade - a large, open expanse surrounded by stone walls. Just like Thomas, the Gladers don't know why or how they got to the Glade. All they know is that every morning the stone doors to the maze that surrounds them have opened. Every night they've closed tight. And every 30 days a new boy has been delivered in the lift. Thomas might be more important than he could ever guess. If only he could unlock the dark secrets buried within his mind.
