

Maker Mondays

Mondays, 2 pm

TechZone@Main, Akron-Summit County Public Library's makerspace, has all kinds of equipment to help fulfill your creative dreams as an artist, entrepreneur, or small business owner. Join us every Monday at 2 pm for a quick demonstration on how to use some of our equipment. Registration requested. Call (330)643-9145 or email esdiv@akronlibrary.org to register.

9/10/2018 | Green Screen

Add a custom background to your picture or video by learning how to use our free green screen room.

9/17/2018 | Vinyl Printer

Learn how to print vinyl banners, stickers, window clings and more on our vinyl printer.

9/24/2018 | Laser Engraver

Etch patterns, text, logo or pictures onto a variety of materials with our free Epilog Laser Engraver.

10/1/2018 | Media Transfer

Digitize VHS, Super 8, 8 mm, negatives, vinyl LPs, or cassettes for free at our Media Transfer Station.

10/8/2018 | Button/Magnet Maker

Learn how to set up a design and use the button maker to create buttons or magnets to promote your business, campaign, band, or brand. We have two options of sizes: 2.25" and 3".

10/15/2018 | Curio

Color, etch, and/or cut out on various materials on our free Silhouette Curio - it's a crafter's dream!
