

Maker Mondays

Mondays, 6 pm

TechZone@Main, Akron-Summit County Public Library's makerspace, has all kinds of equipment to help fulfill your creative dreams as an artist, entrepreneur, or small business owner. Join us on Mondays at 6 pm for a quick demonstration on how to use some of our equipment. Registration required. Call 330-643-9145 or email esdiv@akronlibrary.org to register.

Vinyl Printer

December 10, February 4

Learn how to use our vinyl printer to print vinyl banners, stickers, window clings, heat transfer materials, and more.

Laser Engraver

December 17, February 25

Etch patterns, text, logo, or pictures onto a variety of materials with our free Epilog Laser Engraver.

Media Transfer

January 28

Digitize VHS, Super 8, 8 mm, negatives, vinyl LPs, or cassettes for free at our Media Transfer Station.

Silhouette Curio

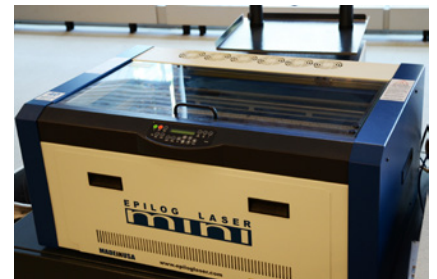

February 11

Color, etch, and/or cut out on various materials on our free Silhouette Curio - it's a crafter's dream!

Green Screen Room

February 18

Add a custom background to your picture or video by learning how to use our free green screen room.
