

Be a Friend!

■ The Firestone Park Branch replaces the Chamberlain Branch Library, itself the successor to the original Firestone Branch. The Chamberlain Branch was the first of a series of new library buildings built in the 1950s and 60s. The 4,850 square foot building was named for James W. Chamberlain whose bequest in 1921 to the Akron-Summit County Public Library has funded the Chamberlain Scholarships and many other educational projects of the library system. Currently, the Firestone Park Branch houses a collection of 62,000 items, including books, audio books, magazines, and movies. We are open 6 days a week to meet your needs for education, information and recreation. Programs and workshops are offered to patrons of all ages.

■ The Friends of the Firestone Park Branch Library play an active role in supporting the Library's mission through book sales, levy campaigns, and special programs. Help continue this community involvement by becoming a Friend.
