

Mogadore Branch Library SPRING PROGRAMS

THE LIGHTER SIDE OF JOURNALISM: 30 YEARS OF JUNKETS

Thursday, May 20, 6:30 pm

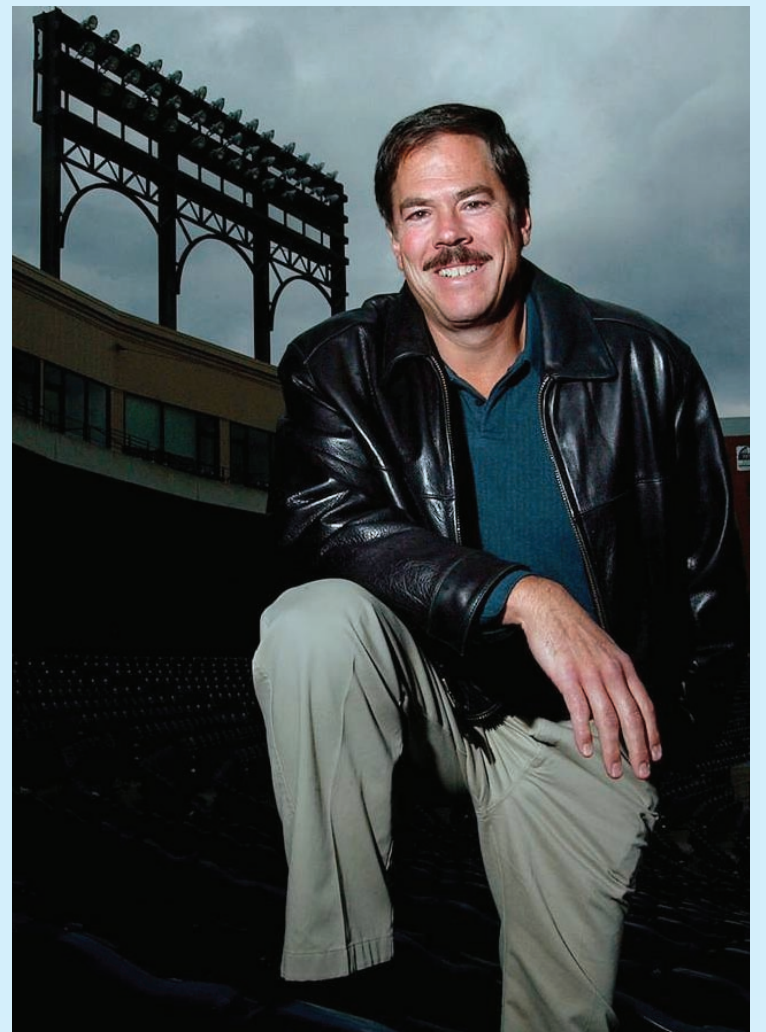

Join the Friends of the Mogadore Branch Library for an entertaining evening with *Akron Beacon Journal* feature writer, Bob Dyer. Describing his job Dyer says “When you specialize in feature stories, rather than hard news, you frequently get paid to have fun.” Some of his varied assignments have included co-piloting the Goodyear blimp, visiting all thirteen Akrons, traveling with the Tribe, and “working” at the Playboy Mansion.

Copies of Mr. Dyer’s book, The Top 20 Moments in Cleveland Sports, will be available for purchase. Autographing will follow while you enjoy light refreshments.

A very brief election of officers will precede the program.
