Adult Programs

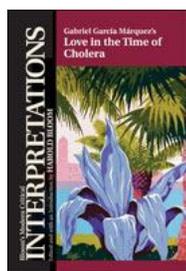

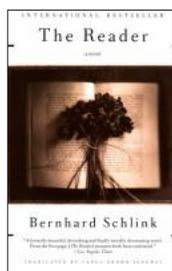

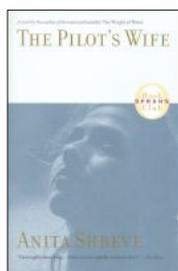

Book Club on the Run

No meetings, no deadlines, just good books! Pick up new selections each month. Discussion questions, read-alike lists and author information included with each book.

March- THE PILOT'S WIFE by Anita Shreve.

April- THE READER by Bernhard Schlink

May- LOVE IN THE TIME OF CHOLERA by Gabriel Garcia Marquez

Yarn Smarts

Second and fourth Thursday afternoons of the month, March 10, 24, April 14, 28, May 12, 26, 1 pm

Enjoy discussion and sharing current knitting and crochet projects.

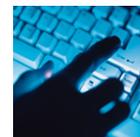

Hands-on Computer Classes

Basic Computer Skills

Monday, April 25, 6-7:30 pm

Discover what a computer mouse is and have fun practicing basic mouse functions with in-class exercises. Learn to open and close software programs and play a game. Learn and practice the proper procedures for turning on and shutting down your computer. Discover the differences between hardware and software. Learn about computer components.

File Maintenance

Tuesday, April 26, 6-7:30 pm

Learn to create folders, organize, and manage your files and folders. You will practice copying, moving, deleting items, and exploring your recycle bin. You'll perform maintenance tasks such as defragmenting your hard drive, installing Windows and other updates. Attendance at Basic Windows Skills is preferred.

Office 2013 Essential Skills

Wednesday, April 27, 6-7:30 pm

Microsoft Office 2013 is the newest version of Microsoft Office. The new features include enhanced design tools, shared notebooks for working in groups, mobile versions and a digital notebook for managing and sharing multimedia information. This course will introduce you to the newest features before you begin our new Microsoft classes. Completion of the Introduction Series is preferred.

Practical Application Project (Typing)

Thursday, April 28, 10:30 am

Are you a hunt and peck typist or would you just like to improve your typing speed? This class will teach you the basics of typing through a series of very basic exercises. Proper keying position and technique will be stressed. Participants must bring in a set of ear buds (to follow auditory instructions from the computer) or buy an inexpensive set at the Circulation desk in the library.

Firestone Park Branch Library

SPRING 2016

Zen Art Craft Night with

Jessica Wiley

Tuesday, March 22, 6 pm

Do you like to doodle? Looking for a new way to relax? Artist and teacher Jessica Wiley will show you techniques to create your own zentangle creations you can do on your own. This program's goal is to make the act of drawing pleasurable, meditative and accessible to all. Call to register at 330-724-2126.

Fermentation Workshop

Tuesday, April 12, 5:30 pm

Looking to find out the benefits of probiotics? Join Midge Asher as she shows us how to make kefir and the impact it can have on our health. In this presentation, she will show us how to make milk kefir, water kefir, and kefir cheese. Call to register at 330-724-2126.

Neighborhood Journalism

Tuesday, May 10, 6 pm

Chris Miller from the Akronist will show you what it takes to be a citizen journalist in your neighborhood. Want to set up a neighborhood news presence? Learn new techniques to get out the proper news for your neighborhood, like setting up a Facebook and Twitter presence and sending out an e-newsletter. Understanding social networks can help you boost your presence in the places that mean the most.
