

Crochet With Penny!

at the Goodyear Branch Library

On Mondays from 6:30 – 8 pm

Do you want to learn to crochet?

Maybe you already know how, but have a project you'd like to finish. Join us, by the fire, and crochet with friends. We have made afghans for "Warm Up America." Now we would like to make "chemo caps" and other charitable projects, as well as fun stuff. Exchange your favorite patterns, learn new techniques, have a good time. You do not need to attend every week to join.
