

STORIES WITH THE SHEEP

Fridays, July 28, August 25, 10:30 am

Join us at the Perkins Stone Mansion for a family story time. We'll sit outside under the trees with librarians from the Akron-Summit County Public Library as they share fun and silly sheep stories, rhymes, and songs. See history come alive when we meet the sheep grazing on Mutton Hill brought to us by The Summit County Historical Society and The Spicy Lamb Farm. Preschool and primary-aged children will have a blast. This is a free family program.
