October 6 To be announced
November 10 To be announced

Green Branch Library **Health Series**

Thursdays, 6:30 pm

Dr. Suzanne Morgan of Summa Physicians Family Medicine at Green will explain the importance of maintaining a healthy lifestyle. Basic medical treatment and monitoring of these conditions, as well as the results of leaving these disorders untreated or unsuccessfully controlled will be discussed.

September 10 Cholesterol

September 17 High blood pressure

September 24 Diabetes

Local Authors Open House **Saturday, September 12** **1-3 pm**

Do you live in the area and have written a book, poem, or article? Are you thinking about publishing something and curious how others have gone about it? Come and enjoy an afternoon at Green Branch Library and meet others with a similar interest.

Local Artists Open House **Saturday, October 3**

1-3 pm

Do you live in the area and have created a work of art? Have you thought about having it displayed or maybe give as a gift? Come and enjoy an afternoon at Green Branch Library and meet others with similar interests.

Introduction to Internet **Genealogy**

Wednesday, October 21
6:30 pm

Overwhelmed by the abundance of genealogy information on the Internet? Join the Special Collections Division as we discuss how to get the most from your family history web sleuthing. Learn about genealogy databases that are available through the Library, as well as how to find and evaluate many popular free Internet genealogy websites. Please sign up in advance.

The History of the Fan **Thursday, November 12** **6:30 pm**

Hand Fans were not just for cooling. Learn the language of the fan that let ladies and gentleman (and spies) talk to each other without speaking. A fan and a code sheet will be provided to practice. Please sign up in advance.
