

Library Events for All Ages

Kenmore Branch Library
Summer 2015

MIND, BODY & SOLE

READ AT YOUR OWN PACE JUNE 8 - AUGUST 8, 2015

Mind, Body & Sole is a reading/wellness experience for the whole family to enjoy.

How the program works:

1. Fill out a registration card at your library and receive your reading and exercise log and program flyer.
2. Read 30 minutes today. Check off a box on your reading log.
You will win a prize, or be entered into a prize drawing, at each of these reading milestones: 10 days, 26 days, 40 days, 50 days, and 60 days.
3. Choose to be active also! Run/walk 26 miles (or 52,000 pedometer steps), record your accomplishment on your exercise log, AND read 26 days and you will receive a Mind, Body & Sole T-shirt. Fill out the entry form at the bottom of your exercise log to also be entered into our end-of-summer Grand Prize Drawing to be held August 24. (If a pedometer cannot record your movement activity, log ½ hour of activity as one mile.)

Find out more at mbs.akronlibrary.org
or contact your local library.

Children's Programs

Preschool Story Time

Tuesdays, June 9-30, 10:30 am

Join us for stories, music, movement and more. A play time or arts and crafts activity will follow each session. For children ages 2-6 with a favorite adult. Please register to join the fun!

Adult Programs

Book Club On The Go

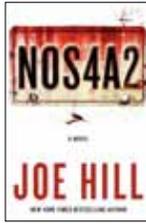

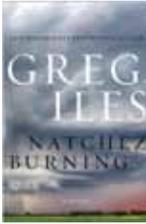

Do you like trying new books but don't have the time for group discussions? No worries, now you can get the best of both worlds! Stop in and pick up a new book and discussion flier every second Monday of the month. You'll receive discussion questions, background information on the author, as well as a listing of read-alike authors and books that you can look through all on your own time.

June 8 NATCHEZ BURNING by Greg Iles

July 13 NOS4A2 by Joe Hill

August 10 DON'T LOOK BACK

by Gregg Hurwitz

TV Talk: Game of Thrones

Tuesdays, June 2-23, 6 pm

Do you love watching, reading, and immersing yourself in the phenomenon of GAME OF THRONES? Then this is the group for you! We will continue meeting weekly until the 2015 season of the HBO series ends to discuss the previous episode and the land and characters of Westeros.

Fabulous Facials

Saturday, June 13, 2 pm

Come get a facial and let professional cosmetologist Vicki Guilliams show you the best way to care for your skin. Please register in advance as space is limited. Registration begins on May 18.

Zumba Fitness

Saturday, July 18, 1 pm

Join us for a great Zumba dance workout with fitness professional Jessica Wallis. Please register in advance. Registration begins on June 22.

Computer Training

Classes held at branches are now hands-on (unless identified as demonstration). No registration is required; however you must have a ticket to be admitted. 15 tickets will be distributed 30 minutes prior to class start.

Monday, June 22, 6 pm Basic Windows Skills

Learn basic functions of the Windows operating system that enable you to become familiar with personalizing your computer, setting up a user account, pinning to the task bar, and more. Practice using various Windows components, such as working with multiple windows and using menus. You will also learn about computer viruses and how to protect your machine. Learn best practices on avoiding infection and how to keep your computer "vaccinated" with anti-virus software.

Tuesday, June 23, 6 pm E-Mail Basics, Part 1:

Read, Respond, Write And Print
Learn how to use the basic features of an e-mail account by using the Mail.com e-mail service to communicate quickly and conveniently with friends, family, and colleagues. Tips for printing messages will also be demonstrated. This class is only for those who need an e-mail account. If you already have an account, then come to E-mail Part 2.

Thursday, June 25, 6 pm E-Mail Basics,

Part 2: Message Management
Learn how to attach files to outgoing messages and open incoming attachments. Organize your list of contacts using an Address Book. Learn how to create folders for filing messages. Experience using an e-mail account or attendance at E-mail Basics, Part 1 is required. The Mail.com e-mail service will be demonstrated in class.

Saturday, June 27, 10:30 am Resume

Workshop
Bring a chronology of your work and/or educational history to these workshops, and use resume writing software that offers hundreds of pre-written job duty descriptions to clearly define your skills and qualifications. Practice with built-in videos to sharpen your job interviewing and salary negotiating skills. Save your work as an electronic document and leave our workshop with a high impact, ready-to-print product. Attendees must bring a flash drive on which to save their work.
