PROGRAMS FOR ADULTS

COMPUTER CLASSES

Classes are hands-on. No registration is required. However, you must have a ticket to be admitted. 15 tickets will be distributed 30 minutes prior to class start.

Introduction to Computers: The Basics

Monday, October 24, 2 pm

Get acquainted with computers and our training series! Discover the differences between hardware and software, learn about storage devices and other computer components, and explore the Windows operating system.

Microsoft Windows for Beginners

Tuesday, October 25, 2 pm

Learn basic functions of the Windows operating system that enable you to create, save, close, and open files. Practice using various Windows components, such as working with multiple windows and using menus.

Basic Computer Maintenance

Wednesday, October 26, 2 pm

Is your computer running slower and slower every day? Is your computer's memory running low? Has the "N" key on your keyboard stopped working? Learn how to perk up your machine, dispose of unneeded files, and more with basic maintenance tools in Windows XP.

E-mail Basics, Part 1:

Read, Respond, Write, and Print

Thursday, October 27, 2 pm

Learn how to use the basic features of an e-mail account by using the Yahoo! Email service to communicate quickly and conveniently with friends, family, and colleagues. Tips for printing messages will also be demonstrated.

E-mail Basics, Part 2: Message Management

Friday, October 28, 10:30 am

Learn how to attach files to outgoing messages and open incoming attachments. Organize your list of contacts using an Address Book. Learn how to create folders for filing messages.

Zentangle with Carol Bailey Floyd

Thursday, September 8 at 6 pm

Find focus and relaxation by learning Zentangle, the unique art form that creates beautiful images and designs by using repetitive patterns. Please sign up in advance.

Ghosts of the Civil War

with Paul Goebbel

Tuesday, October 18, 6:30 pm

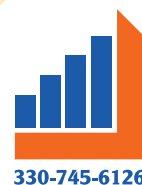

Many local legends, folklore, and ghost stories have a basis in fact. In his Civil War Correspondent persona, Paul Goebbel shares those with you. He will also have a slide show before and after the presentation. No pre-registration is required.

Introduction to Ballroom Dancing

Tuesday, November 15, 6:30 pm

Do you watch Dancing With the Stars or So You Think You Can Dance? Have you ever wished you knew how to dance like the stars? Come show off your moves with dance instructor Uriah Heben. No pre-registration is required.
