

GINGERBREAD HOUSE DECORATING DEMONSTRATION

Thursday, December 3, 6:30 pm

Susan Stefancik demonstrates the fine art of construction in the kitchen. Sharing her winning tips, recipes and decorating ideas, Susan will inspire you to start your own holiday building project. Several of her creations have been published and she regularly wins ribbons at the annual Children's Hospital tree festival. Please note that the class will be demonstration only, but one lucky person will win a door prize.

Making a gingerbread house is a fun craft for the young and young-at-heart. Join us and get your creative juices flowing. Please sign up at the library or by calling 330-628-9228.
