## PERENNIAL PLANT EXCHANGE

**Saturday, May 15, 10:30 am – 12:30 pm**

Join us for the fifth annual plant swap! You can feed your gardening hobby for free and have fun socializing with your neighbors and local gardeners. Spring is a great time to thin your perennial beds. Instead of tossing out the extras, bring them to share and/or exchange for other interesting plants you would like to try.

No invasive species, please.
