COMPUTER HELP TIME

Friday mornings,

10 am – 12 pm

September 10, 24

October 8, 22

November 12

Would you like to become more adept at using computers or have personal help with finding something on the internet? Do you have questions using software such as Microsoft Word, Excel, or Power Point? Bonny Mills has a background in Information Technology and is volunteering time to be available to help you with your questions. Look for her in the public computer area.

Interpretive services are available. Please inquire.
