

## **Reptiles, Amphibians, and Insects, Oh My**

**Thursday, April 21, 4 pm**

Have you ever wanted to see a snake skeleton, touch a turtle skull, or look at an insect's x-ray? Then stop in for some hands-on fun as we explore and investigate these creepy little critters!

---

## **Butterfly Program**

**Thursday, May 19, 3:30-5 pm**

Welcome our caterpillars to the Maple Valley Branch Library at our kick-off party with games, crafts, and snacks. Don't forget to check back at the library to watch the caterpillars turn into butterflies over the next few weeks!

## **Dig in...at the Maple Valley Branch Library**

**Saturday, June 4, 2 pm**

Join us for a fun and messy afternoon of digging in the dirt as we plant beautiful flowers outside the library. Gardening tools and gloves will be provided. Please be sure to wear older clothes as we will be getting dirty. Fun for families with children of all ages!

---

## **Creative Container Gardening**

**Tuesday, July 12, 2 pm**

Come have some fun with us! Using art and craft supplies you will make your own unique container. Do you like butterflies, rockets or monsters? Whatever you like have fun creating it. Then...you will plant seeds in your container to grow a garden. Have fun over the summer watching your garden grow.

---

## **Butterfly Terrarium**

**Tuesday, August 2, 2 pm**

Make a butterfly terrarium with mason jars. Please call 330-864-5721 to register for this program.
