Family and Children's Programs

Preschool Story Time

Tuesdays, March 6-April 3, 10:30 am

For children ages 2 and up, with their favorite adults. Little ones need many different kinds of experiences when they are getting ready to go to kindergarten and learn to read! We'll read together, play musical instruments, listen to music, learn rhymes to repeat, sing, play with puppets and make new friends. Each time we'll end with puzzles, toy time and an art project to take home.

Baby Time

Tuesdays April 17-May 8, 10:30 am

For children under age 2 and their adult caregivers. Give your little people a good start by bringing them to these specially designed programs. We'll read books, sing and play music, march around the room, and do language activities to develop skills that will help them grow and learn. Each day ends with bubbles, play time, and visiting time.
