Practice your reading skills by reading aloud to our doggie pals. Bring a book from home or read one of ours! Not reading yet? Our dogs' human pals will read to you in our children's area. This is a great way for children to practice their literacy skills and gain more confidence in reading aloud. Children of all ages are welcome. No registration is needed.

### Preschool Playgroup

Our little children need to play! During this free play session little ones can learn to play along-side, or with others. They will share language skills.
