

The 11th Annual Nordonias Hills Branch Library Interactive Murder Mystery:

“The Big Double-Cross”

You are invited to City Library – neutral ground – for a summit meeting between “The Organization,” and the forces of law and order. We had hoped to resolve our differences so there would again be peace in our fair city. Too bad someone has been “whacked!”

Join us for this high-stakes and exciting evening, where you and others will uncover clues, eliminate red herrings, and confer with your fellow guests (both cops AND gangsters) to find the guilty villain.

An interactive social story line means you could be the cleverest constable (or crook), or the baddie headed for the Big House – truly an offer you can't refuse!

Saturday, September 30 6 pm – (no admittance prior to 5:45 pm)

In-person registration only; registration begins at
