NORTON BRANCH LIBRARY **50th Anniversary Celebration**

Wednesday, June 19
6-7 pm

Join us as we celebrate 50 years of the library in the Norton Community. From our early roots at our 1969 location, to our present library building, we've been an integral part of our neighborhood and in the lives of our patrons. Hear a brief presentation on the history of the library in Norton. Share memories and stories about your library experiences. Enjoy refreshments provided by our Friends of the Library. All ages welcome!
