WEDNESDAY, JUNE 23 AT 6:30 PM
AT NORTON BRANCH LIBRARY

When Amelia Earhart disappeared in 1937 during her attempt to fly around the world, she was already known as America's most famous female aviator. Her sense of daring brought her fame from the day she became the first woman to cross the Atlantic in an airplane. There are many theories as to the mystery of her disappearance, but no proof as to what really happened.

Find out more about this courageous woman. Meet her, listen to her story, and ask her questions. This is a performance you won't want to miss!
