

#shhh

Tuesdays, 5-7 pm

Experience a month of silence programming every Tuesday as we awaken our inner awareness through creating and play.

VR Program

September 13

Explore the world of Virtual Reality (VR) through 3D glasses and apps. 3D Glasses provided. Smart phone required.

Silent Disco Program

September 20

Dance away your stress and worries as you listen to music and dance to your own beat. Phone or other audio device with headphone capability required. Bring your own headphone or use one of ours.

Break the Silence

September 27

Hang out with us and do your own thing as we break the silence. Create with Zentangle, play VR, or listen to music. Smart phone required for some activities.
