

Main Library unveils new makerspace

located in the TechZone@Main

Monday, June 20, 5 – 7 pm

Makerspace on first floor provides additional resources for the innovative and creative community

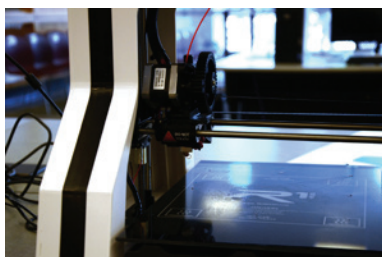

TECHZONE@MAIN

We are pleased to announce that the Library's TechZone@Main, funded by a grant from the Knight Foundation, will officially open Monday, June 20. The makerspace is located on the first floor of the Main Library in the area formerly named Technology Center.

Library staff will give demonstrations from 5 – 7 pm during the opening.

Some of the new equipment in the TechZone@Main includes a professional grade recording studio, 3-D printer, laser engraver, vinyl printer, media transfer station, green screen video recording, photo box, and a crafting area with a button maker, sewing and silhouette machines. Design computers with Adobe Creative Cloud are also available.

For more information, contact the TechZone@Main reference desk at 330-643-9145.
