

Kids Who Code Club

April 10-May 8, 3:30-4:30 pm

Bath Elementary School Library

Learn the fundamentals of computer science during this afterschool program offered to all 4th and 5th graders. During the 5-week course, students will work in groups to complete interactive coding projects, play games, and make coding crafts. Everything needed is supplied.

Registration required, class size is limited to 15. Registration due April 3. We will use a lottery system if over 15. Students will be contacted by April 5. Curriculum is in affiliation with the organization GIRLS WHO CODE, and the book *Girls Who Code: Learn to Code and Change the World* by Reshma Saujani.
