The Friends of the Akron-Summit County Public Library's Richfield Branch invite you to attend this **FREE** program and discover ways to navigate the transition-to-work process, determine the best choices for you (part-time or full-time), and market yourself via a resume and other materials. Please feel free to bring your resume, no matter how old!

- Are you a stay-at-home mom or dad who is considering a return to work outside of the home and not sure where to start?
- Are you unsure of how to describe and market your skills after 2...5... or 10 years out of a regular work environment?

Registration is encouraged. Light refreshments will be provided.

To register or for more information, call 330-659-4343.

Interpretive services are available. Please inquire.
