

Akron Mini Maker Faire®

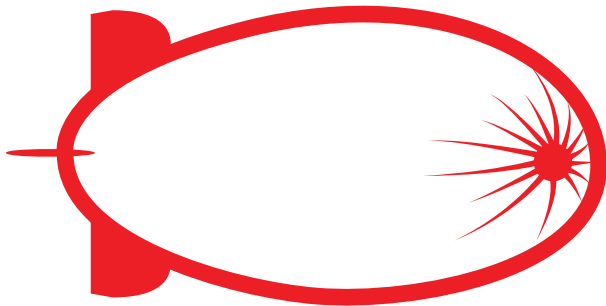

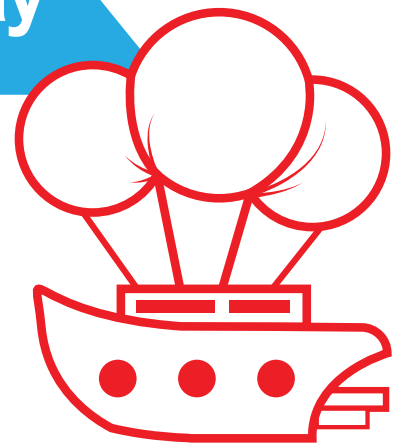

Saturday
November 2
1pm-4pm
Main Library

Create, Learn, Discover and Play

Join us for this family-friendly celebration of grassroots innovation featuring inventive uses of technology old and new.

Akron Mini Maker Faire is an opportunity to view cool creations, and how they were made.

- Experience 3D printers, robots, digital media creation, model airplanes and more.
- Explore laser graffiti, music making, soldering, or winter gardening.
- See innovative designs by local artists.
- Bring the little ones to a special Maker event in the Children's Library.
- Stay hydrated with the "Soda Pop Drop" presented by the Main Library Teen Advisory Board.

• Inventors and entrepreneurs! Get answers to your questions about patents, copyrights, or trademarks by reserving a 20-minute consultation with a volunteer intellectual property attorney during the "IP Lawyers in the Library" program.

• Keep informed by visiting our website,
www.makerfaireakron.com.

Discover a new hobby, uncover a hidden talent.
Join the Maker movement.
