

# Library Events

## Science & Technology Division Summer 2014

### Celebrate Urban Birds

Every Thursday, 12:15 pm

Join us, rain or shine, outside at the Library Park at the corner of South Main and Mill Streets to help us record the birds we see. Celebrate Urban Birds is a program sponsored by The Cornell Lab of Ornithology that is tracking 16 bird species found in urban areas. All ages are welcome to participate in this Citizen Science and NatureConnect initiative.

### Health Info 101

#### You Can Do Better Than Google

Tuesday, June 3, Wednesday, July 9,  
Thursday, August 7, 12:15 pm-1 pm and  
6:30 pm-7:15 pm (two sessions offered each date)

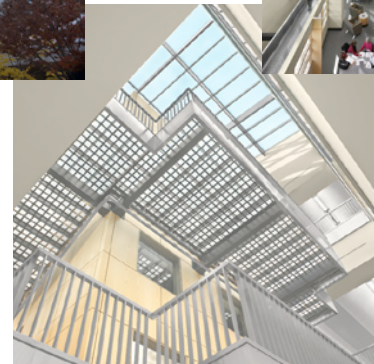

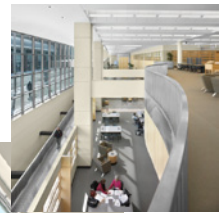

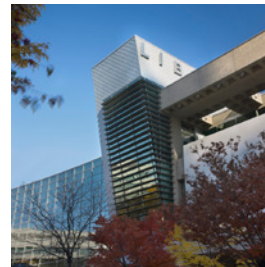

When looking for reliable health information on the internet, is Google good enough? Learn how to tell which health websites offer scientifically-based information that has been evaluated by medical experts and how to narrow your medical search. Please note: these classes will meet in the First Floor Meeting Room.

### MIND, BODY & SOLE Indoor Walking Tour

Saturdays, June 14, 21, and 28,  
10:30 and 11:30 am

Join the staff from the Science & Technology Division's Health Information Center for a 1-mile walk through Main Library. Wear comfortable shoes and meet at the Science & Technology reference desk on the 1st floor of Main Library 5 minutes before the program starts. When you have completed the tour, be sure to add your accomplishment to your Mind, Body & Sole exercise log!

More programs continued on the back

# Science & Technology Division Summer 2014

## Dog Days (and Cats, Too)

### A Day About Pets

**Saturday, July 12, 11 am-2 pm**

Are you thinking of adding a new dog or cat to your family? Need a refresher on what it takes to properly care for a pet, and how you can protect yourselves when encountering strays? Want to know how to train a dog for reading and other therapies? Find answers to these questions and more at this event for all ages. Meet representatives from PAWSibilities, County of Summit Division of Animal Control, Sit Means Sit, Rubber City Kennel Club, and members of the Summit Animal Coalition. Please note: this event will take place in the meeting rooms along the Library's High Street Level.

## Bountiful Harvest Saturday

**Saturday, August 9, 12:30pm-3 pm**

Join us for an informative day as we prepare for harvesting and preserving what we have grown all summer. Learn about the Library's Seed Sharing Program and how you can save some seeds from this year's plants to share or replant next spring. Local experts will also share canning and preserving tips as well as ideas on how to extend your growing season. Please note: this event will take place in the meeting rooms along the Library's High Street Level.

Please contact Science & Technology to reserve you space in any of the following classes from the Library's Patent & Trademark Resource Center.

### Introduction to Intellectual Property

**Tuesdays, June 17 and August 5, 6:30-7:30 pm**

### Introduction to Patents & Patent Searching

**Saturday, June 21, 10:15 am-noon and  
Wednesday, August 6, 6:15-7:45 pm**

### Frisina Entrepreneurship Series

Making the Most of your Intellectual Property  
**Wednesday, July 16, 5:30-6:30 pm**

### Call for Makers

The Akron Mini Maker Faire will be at Main Library on **October 18**. Makers interested in exhibiting can apply at [www.makerfaireakron.com](http://www.makerfaireakron.com) August 11-September 12.
