**Saturday, November 11, Noon to 4 pm**

The Akron Mini Maker Faire is a family-friendly gathering of tech enthusiasts, crafters, educators, tinkerers, hobbyists, engineers, science clubs, authors, artists, students, and more. It is a coming together of fascinating, curious people who enjoy learning and who love sharing what they can do. It's a venue for makers to show examples of their work and interact with others about it.
