

# URBAN HOMESTEADING: A MODERN APPROACH

**FRIDAY, AUGUST 3  
4 – 7 PM**

**MAIN LIBRARY— ATRIUM LEVEL**

The Atrium Level at Main Library will become an exposition of homestead skills and off-grid living by people practicing these trades in our community. Learn about urban farming, food preservation, composting, bee keeping, quilting, hydroponics, chicken farming, spinning, and so much more. You don't have to quit your day job to live a more resourceful and simple life—let the Homesteaders show you how.

Join us and start connecting with the food you eat and the world you live in.

For more information, contact the Science & Technology Division at 330-643-9075 or [stdiv@akronlibrary.org](mailto:stdiv@akronlibrary.org).
