Planting Your Family Tree - Start Digging For Roots
Monday, April 2, 6:30 pm This workshop covers five steps to get you started in researching your family tree, websites, and tips for checking out information. Learn what is required for membership in lineage societies. Please sign up in advance.

A Tour of Titanic **Wednesday, April 11, 1 pm**
 One of the most surprising - and intriguing - hits of recent Broadway seasons is the musical, Titanic. Titanic will be performed on Saturday, April 14, 2012 at 8 PM at the Akron Civic Theatre. The date marks the 100th Anniversary to the day of the sinking of the great ship in the North Atlantic.

Join the Akron Symphony Orchestra's Music Director Christopher Wilkins and Titanic director Craig Joseph for a lively discussion of the people, the history and the music of Titanic. The musical focuses on the travelers aboard the ship and the interactions they are known or imagined to have had. It also touches on themes suggesting why the disaster stands today as a watershed moment in world history.

Interpretive services are available. Please inquire.

TA-4667/800/02-12/kc

Introduction to Intellectual Property

Tuesday, April 24, 2 pm Patents, copyrights, trademarks - what's the difference? Confused about how best to protect your great ideas? You're not alone. Librarians from the Science & Technology Division's Patent & Trademark Resource Center will explain the differences between the major types of intellectual property protection. Please sign up in advance.
