

# ROBOTICS, SCIENCE, ENGINEERING

Try something new after school with Sylvan Edge and the Tallmadge Branch Library. Call to register for one or all sessions at 330-633-4345.

## GRADES K - 2

**Tuesday, October 18, 4:30 pm** - Science Experiments with candies. Candy is not just for eating, what can you discover about physics and chemistry while working with some familiar candies?

**Tuesday, November 15, 4:30 pm** - Bitty Bridges. Little Engineers can use a variety of building materials to build and then test out their bridges.

## GRADES 3 - 5

**Thursday, September 22, 4:30 pm** - Engineering with Super Structures. Build bridges and test them.

**Thursday, October 20, 4:30 pm** - Make a robotic arm and see what it can do.

**Thursday, November 17, 4:30 pm** - Build on your knowledge of robotics while you explore gears and pulleys to make a jungle animal that really moves.
