Survival Strap
Saturday, September 28, 2:30 pm

For ages 11-18.

Ever been stuck in a jam and needed a little help, or maybe you have nothing to wear...the survival strap is functional as both a critical survival tool and a fashion statement. With 12+ feet of paracord it can be unwound in an emergency and used as fishing line, bow string, lasso, or to bake a cake. This bracelet knows no bounds. Or you could simply just wear it (just in case.) Please call the Teen Department at 330-643-9067 to register.

Divergent by Veronica Roth

The movie will be coming out in March, but let's talk about the book first! In a future Chicago, sixteen-year-old Beatrice Prior must choose among five predetermined factions to define her identity for the rest of her life, a decision made more difficult when she discovers that she is an anomaly who does not fit into any one group, and that the society she lives in is not perfect after all.
