

2009 Caldecott Medal

The House in the Night

by Susan Marie Swanson
and Beth Krommes

Honor Books

A Couple of Boys have the Best Week Ever

by Marla Frazee

How I Learned Geography

by Uri Shulevitz

A River of Words: The Story of William Carlos Williams

by Jen Bryant and Melissa Sweet

This award was named for Randolph Caldecott, famous English illustrator of books for children. This medal has been presented annually to the artist of the most distinguished American picture book for children published during the preceding year. Frederick G. Melcher (1879-1963) donated the first awards and his son, Daniel Melcher, carries on the tradition. This award is made annually by the Association for Library Services to Children of the American Library Association.
