

# Batman and Robin: Special Interactive Movie Screening

Thursday, July 12, 6:30 pm  
Main Library Auditorium

Most people agree that The Dark Knight was the best Batman movie. Before you go see The Dark Knight Rises, join us for a special interactive showing of one of the worst! We'll be showing Batman & Robin, the 1995 dud starring George Clooney, Chris O'Donnell and Arnold Schwarzenegger, and we need your help! During the screening, you'll be given a phone number that you can text jokes and other comments to. Your texts will appear on the big screen in real-time. In other words, you provide the commentary – the funnier, the better! If you've ever seen the old TV show Mystery Science Theatre 3000 and thought, "Hey, I could do that!" This is your chance to share your wit with the world.

Standard text messaging rates apply.  
Batman and Robin is rated PG-13  
For ages 13 – up.
