*Is pleased to present:*

**A Special Reading Hour for Children  
Celebrating the Premier of the  
Wild About Eyes Kiosk at the  
Akron-Summit County Public Library**

You are invited to join Prevent Blindness Ohio and the Akron-Summit County Public Library as we host a very special children's reading hour lead by local celebrities. The event will inspire children and their families to learn more about their gift of sight through stories and fun! Following the presentations by our guest readers you will have the opportunity to explore the *Wild About Eyes* interactive exhibit. The *Wild About Eyes* exhibit is designed to educate and enlighten all visitors about eye health and safety in a fun way! The kiosk will be on display at the library from Sept. 14 to Oct. 12, 2010.

*Wild About Eyes* includes four learning stations: Be Safe, Detect and Prevent Eye Disease, Eyes are Important, and Eyes are Interesting. Children and their families will learn about eye protection, eye exams, common vision problems, and how we use our eyes to see. The presentation and exhibit are highlighted by activities and a gift bag participants can take home!

Prevent Blindness Ohio, founded in 1957, is the only voluntary, not-for-profit health organization dedicated to preventing blindness and preserving sight. It serves all 88 Ohio counties, providing direct services to more than 300,000 Ohioans annually and educating millions of consumers about what they can do to protect and preserve their precious gift of sight. Prevent Blindness Ohio is an affiliate of Prevent Blindness America, the country's second-oldest national voluntary health organization.

*The Wild About Eyes Kiosk and activities are funded by the Ohio Dept. of Health, Bureau of Child and Family Health Services, Save Our Sight Program*
